Deposition - Mrs. DORIS MAE NELSON, March 20, 1964, 6 H 143-7

Questioning by Arlen Specter, Asst. Counsel, Warren Commission

Mrs. Nelson is supervisor of the emergency room at Parkland Hospital. She said an emptyystretcher that had been in that room was removed when Kennedy was brought in. After Kennedy was put into the casket, his stretcher was removed into the other emergency room, after stripping.
